

# LINO'S GOLF LEAGUE

- 1) If you cannot play your match, find a sub to play for you.  
You may be charged greens fees!
- 2) **PLAYING A BLIND** If your scheduled opponent does not play, you will play against par using your handicap + 2 strokes. (ex: if your handicap is 7, you will play against par with a 9 handicap)
- 3) **HANDICAP** 80% of adjusted score. (score after all strokes above double bogey are removed)
- 4) **MATCHES** A match is won when a player wins 5 points. Each hole won is 1 point, hole tied is 1/2 point. If after 9 holes the match is tied at 4 1/2 points, the low net score is used as a tie breaker. If it is still tied, go back to the number 1 handicap hole for the win. (Then # 2 handicap etc...) In championship matches we'll go sudden death and play the next available hole.
- 5) **CHAMPION** Four players with the most wins will play-off for the League Championship. First plays fourth, second plays third (same format). The winners of these matches meet in the Championship Match (18 holes).
- 6) **MATCHES MISSED** Cannot be made up.
- 7) **SKINS & PRIZES** ( \$ 100 will cover skins & prizes for the season )

## **SPECIAL RULES FOR LEAGUE PLAY:**

**OUT OF BOUNDS** Drop ball at point where ball went out.  
(ONE STROKE PENALTY)

**LOST BALL** Drop ball where it entered the hazard.  
(ONE STROKE PENALTY)

**CONCEDE A HOLE** You may concede a hole at any time; but you are also conceding the first tie-braker

**IMPROVE LIE** You may improve your lie by moving the ball with your club no more than 12 inches; provided the ball is not in a hazard or a sand trap. When weather conditions dictate, we will announce "pick and clean" prior to start of play.

**USGA RULES** Apply except as noted!
