- 1) official bracket & lines as shown in the Plain Dealer
- 2) winners are determined using the line in the P.D.
- 3) to move on- your team must win using the spot  
( if a team " A " wins the game, but loses with the spot  
to team "B", the player that had team "B" moves on  
to the next tier and assumes team "A")
- 4) if the game is a tie with the spot - the "dog " moves on.
